

## The Balance Harness

Designed by dog training experts for:

### The Perfect Fit

Six-point adjustment ensures a secure and comfortable fit.

### Total Range of Motion

Delivers comfort and safety while offering the freedom to move.

### Multiple Leash Attachments

The back ring is perfect for sniffy walks. The front ring is perfect when you need more connection through obstacles or past distractions.

### Use with Multi-Use Leashes for Extra Control

Pairs perfectly with double-ended leashes. Two points of attachment increase safety and control.

### Buckle on Neck Loop

For doggos that don't enjoy having harnesses slipped over their head. Many of them don't.

### Easy Cleaning

Made of washable soft-touch nylon.

To ensure a proper fit, it's best to get a measurement of your dog's ribcage circumference. For generic guidelines, the extra small tends to fit in the 8-15 lb range (miniature poodle). The small tends to fit in the 16-25 lb range (beagle). The medium tends to fit in the 26-50 lb range (whippet). The medium/large tends to fit in the 46+ lb range (GRD, GSD, Lab). The large fits the bigs (Newfies, Saints, Danes).
